Summary

CSE undergraduate at BRAC University with expertise in Backend Development, 3D Graphics Programming, and Team Leadership. Proven track record of delivering complex technical projects, including OpenGL-based games and full-stack web applications, while managing large-scale university events serving 1400+ students. Skilled in bridging technical development with strategic project management.

Education

BRAC University — Dhaka, Bangladesh
Bachelor of Science in Computer Science & Engineering — *Summer 2022 – Expected 2026*

Ispahani Public School & College — Cumilla, Bangladesh
Higher Secondary Certificate (HSC) - Science, GPA: 5.00/5.00 — *2018 – 2020*

Ispahani Public School & College — Cumilla, Bangladesh
Secondary Secondary Certificate (SSC) - Science, GPA: 5.00/5.00 — *2016 – 2018*

Technical Skills

Programming Languages: Python, JavaScript, SQL, Assembly Language
Backend & Databases: Node.js, Express.js, MongoDB, MySQL, RESTful APIs
Graphics & Game Dev: OpenGL, 3D Graphics Programming, Physics Simulation
Tools & Platforms: LaTeX, GitHub, VS Code, Google Colab, Kaggle Notebook, Postman, Vercel, MacOS/Windows
Core Competencies: Backend Development, AI/ML, Event Management, Team Leadership

Projects

Singularity-Wars | *Python, OpenGL, 3D Graphics* | GitHub — 2025
- Developed 3D space combat game using OpenGL for real-time rendering and physics simulation
- Implemented advanced graphics techniques including lighting, textures, and particle effects for immersive gameplay
- Released packaged game with optimized performance and cross-platform compatibility

TripBloom | *JavaScript, Web APIs, Routing* | GitHub — 2025
- Built interactive travel planning web application with dynamic UI and intelligent route optimization
- Integrated geolocation APIs and mapping libraries to provide real-time travel recommendations
- Designed responsive interface with modern JavaScript frameworks for seamless user experience

ATM Machine Simulator | *Assembly Language, Microprocessor Programming* — 2025
- Programmed low-level ATM simulation demonstrating transaction handling and user authentication
- Optimized assembly code for efficient memory usage and processor cycle management

Leadership Experience

Assistant Director - Event Management — December 2024 – February 2026
BRAC University Computer Club (BUCC) — *Dhaka, Bangladesh*
- Lead event operations across 7 departments serving 1400+ active members in Bangladesh's largest tech club
- Manage event budgets, sponsor negotiations, and vendor relations for flagship technical events
- Coordinate with faculty advisors, external partners, and 40+ tech organizations for career fairs and workshops
- Organized TechConnect Career Fair (Dec 2024) connecting students with 40+ companies including industry leaders

Assistant Director - Event Management — January 2024 – January 2026
BRAC University Leadership Development Forum (BULDF) — *Dhaka, Bangladesh*
- Orchestrated 10+ large-scale events including Freshers Orientation programs for 1000+ attendees annually
- Spearheaded Mental Health Awareness and Wellness initiatives impacting the university community
- Facilitated partnerships with external organizations including It's Humanity Foundation

Professional Experience

TAKEOUT Ambassador November 2022 – March 2023
TAKEOUT - Premium Burger Restaurant *Dhaka, Bangladesh*

- Represented brand at promotional events and managed customer engagement initiatives
- Provided insights on customer preferences to improve service quality and menu offerings

Executive - Sales & Management June 2022 – October 2022
Odezhda - Online Fashion Retail *Dhaka, Bangladesh*

- Managed inventory systems and coordinated with logistics teams for timely order fulfillment
- Analyzed sales data to identify trends and optimize product recommendations

Academic Achievements

General Scholarship – Higher Secondary Certificate (HSC) 2020

- Awarded government scholarship for outstanding academic performance.

Talent Pool Scholarship – Primary School Certificate (PSC) 2012

- Recognized among top-performing students nationwide for exceptional academic merit
